Hello Naresh Sir,

Thank you for your guidance lines & constant support for CCSP exam. I couldn't do without your help & study material.

This next milestone to go forward to my cloud journey which to gain knowledge & actively engage customers to build a trust relationship with them.

My study plan for the exam.

- 1) CCSP (ISC) 2 official book.
- 2) Study Notes provided by Naresh Sir.
- 3) YouTube videos (SSO, Federation, Cryptography)
- 4) Official Practice Test.

Thanks & Regards
