Hi Naresh,

I have passed CCSP exam on 17th December 2020 and was an outstanding journey which was not possible without your guidance.

Just going via books was not enough for exam and your notes, deep understanding about subject made this journey easy. I would like to thank you for timely guidance & support throughout the preparation till completion.

References I used :

1. Training Material provided by Naresh Gupta
2. CCSP CBK
3. CCSP Official Guide book
4. CCSP official Question bank.

Thank you for your guidance and support throughout this journey.

Regards,
Deepak Kumar
